Notes

Note 1: The SEXTAX Program Manager is required each year with any program. It controls printing, file utilities, client data roll-over, client organizers, lists and labels, and includes the Tickler Due Date Monitor.

Note 2: Required for multi-user environments. Restricts access when files are in use to avoid data corruption. Allows customization of firm information, client letters, and client bills by user.

Note 3: 1120, 1120S, 1065, 1041 and F1120 programs handle returns for calendar year 2009 and fiscal years through November, 2010. Users will also be able to access prior year Depreciation Tables.

Note 4: Depreciation Program handles depreciation for years through November 2010. It is included FREE when you buy any Federal Program.

Note 5: Standard weekly updates during tax season are available at no charge through the Internet. If you need CD updates, add \$50.00 for cost of production and shipping. **No CD will be shipped if the \$50.00 fee is not paid.**

Note 6: The Payroll Tax Program includes Federal Forms 940, 941, 944, W-2, 1099, & UCT-6. Printed paper forms and electronic filing is available. Efilng for the UCT-6 form is included at no charge. If you would like to efile the 940, 941 and/or 944 returns you must have a 6 digit EFIN and 5 digit PIN as well as purchase the efilng module.

Note 7: The multi-location license is required for each additional business location using the software. The cost of the license is 50% of the subtotal (per location).

Note 8: No refund requests will be granted after the SEXTAX Installation Email and/or CD have been sent out. By ordering the software you agree to these terms.
